Professor Matt Meselson
Department of Biology
Harvard University
Cambridge 38, Mass.

Dear Matt:

It has taken me three weeks to recover from the article by Lederberg and one week of further recuperation that you sent the article. I am anxious to talk with you about it and wonder whether or not you will be in town in the near future. Would you, if you are in communication with Lederberg, tell him of my interest in it and that I would like to discuss with him certain implications of what he says.

Sincerely,

Marc

Marc G. Raskin

MGR:jl

Josh. If you
should have some
time some day
in Washington,
ring up Marc
Raskin. He's an
interesting and
likeable fellow
with ideas you

might
enjoy
discussing
and questions
he would like
to put to you
about
Euphenics.
Matt
